

CELEBRATE AND MEET IN THE GRAND ELYSEE

HOST AN EVENT IN BEAUTIFUL HAMBURG

Stage your next celebration or corporate event at the most popular events venue in Hamburg – the Grand Elysée. Our beautiful hotel boasts 24 function rooms, each with its own design, which are available for occasions big or small. All of our function rooms have windows which may be opened, and many also have a balcony.

The Großer Festsaal banqueting hall is the largest of its kind in Hamburg and can accommodate up to 1,000 people attending conferences or special events. It is equipped with a variable lighting system, a concert sound system, a mobile stage and dance floor, and a built-in screen and LCD projector for a truly impressive affair.

There are also stylish rooms for smaller groups, with technical equipment and culinary offerings that are sure to impress your guests just as much.

We would be happy to assist you in planning your event and can readily provide you with professional advice along every step of the way, from the birth of an idea to bidding your guests a fond farewell at the end of the day. With us, you will experience sincere hospitality, perfect service and first-class cuisine, making you not just the host, but our guest too.

The following pages are full of information and advice on organising your event.

We are, of course, also happy to consider any specific needs you may have.
